Letter from the President

Dear Neighbors,

What an amazing celebration we just had in Coon Valley! Mother Nature tried her best to knock us down with the rain, but in true Coon Valley spirit, we pushed through and celebrated anyway. From the Movie in the Park to the last firework in the sky, our community came out, showed up, and pitched in to make the day absolutely spectacular.

The only casualty to the weather, unfortunately, was the parade. However, our community's resilience shone through. Vendors in the Artisan Market quickly moved to the blacktop, the car show transitioned seamlessly to the Fire Station and Village Hall, and while the bounce houses were not as available as we would have wished, we adjusted and pivoted to Plan B without missing a beat.

On behalf of Coon Valley Historical Society Board and members, I want to extend a heartfelt thank you to each and every one of you. Thank you for volunteering your time, bringing your beautiful classic vehicles, visiting the historical display in the library, playing ball, walking the trivia walk, and supporting us in every way possible this past weekend. We truly could not have done it without all of you.
Sincerely,

Sheila Holey Jubera, President
